Report on the Internal Audit of the Accounts
For the 12 months ended 31st March 2015

I have carried out a review of the Council Minutes and a detailed audit of the accounts, bank statements and other relevant documents for the above year.

A small number of queries arose during the course of the audit, which the Clerk has answered to my satisfaction. I have also recommended to the Clerk, and she has agreed, that, in the interests of transparency, a copy of the Clerk's Report should be retained and filed with the Council Minutes. No other issues arose during the course of the audit that I need to bring to your attention.

In my opinion the Receipts and Payments Account for the year ended 31st March 2015 is an accurate reflection of the financial activities of the Llangan Community Council for that year and the Balance as at 31st March 2015 accurately reflects the Council's financial position at that date, in accordance with the records and explanations given to me.
